

TOGETHER WE GROW AND LEARN

RE: The School Fete – 24th June 2017 – 12-3pm

Dear parents/carers,

Hopefully you are aware that we are holding our School Fete on Saturday 24th June from 12-3pm. The Fete has been planned by our Friends of Blidworth Oaks parents committee along with staff and children. We have a whole host of stalls and things happening including food stalls, games and demonstrations. It would be great if you could join us!

Venue

Weather permitting, the Fete will take place on the Key Stage 1 playground, the Large Hall and MUGA. Both gates to the school will be open. Please ensure you collect a programme and map on arrival. All family and friends are also welcome to the Fete! If the weather is poor we will probably cancel the event. If this is the case we will inform parents/children through our school website and twitter account.

Supervision of children

The Fete is planned as an event for families to attend together. **We do not expect any of the children from our school to attend the fete unsupervised by a parent or other carer.** The children have been working on their own class stalls for the Fete and will be eager to 'man' their stall for a period of time. If your child wishes to do this, then please feel free to drop them at the appropriate stall informing the member of staff there and then have yourself some free time to enjoy the other events at the fete. Please do not leave your child at the fete as staff will be unable to take full responsibility for children.

All money raised at the Fete will be going towards school funds. We hope you and your friends and family are able to join us for the afternoon!

Yours sincerely

Mr S K Walker
Head Teacher
