

TOGETHER WE GROW AND LEARN

Extended Services

Surestart Children's Centre

Surestart started within Blidworth in February 2004.

Since then we have developed and grown. Our aim is to offer child centred / child friendly services working with local community partners.

We work with 0 - 5 year olds and their families. Our partners include Health Visitors, Midwives, local schools, libraries, leisure centres, connexions, job centre plus etc.

If you would like to know more, please contact:

sherwoodwestchildrenscentre@nottsc.gov.uk or phone Sherwood West Children's Centre 01623 499900.

Details of current services are available on the website.

Blidworth Oaks Primary School delivers Extended Services in partnership with the Joseph Whitaker family of schools. The government's core offer is incorporated in the vision statement for our family 'To work in partnership within the community to provide better life chances for children and their families'.

As a school we are a focal point for the community providing numerous services that will improve the standards and aspirations of those who participate. By giving children the opportunity to take part in a variety of activities outside of the normal school hours their confidence, skills and horizons will increase. We support parents by giving information and providing opportunities to learn. Parents are invited to join their children in an assortment of family learning sessions. The school also works in partnership with specialist services to provide access for families when a need is identified.

If you would like to know more please visit the school website:
